

USER MANUAL

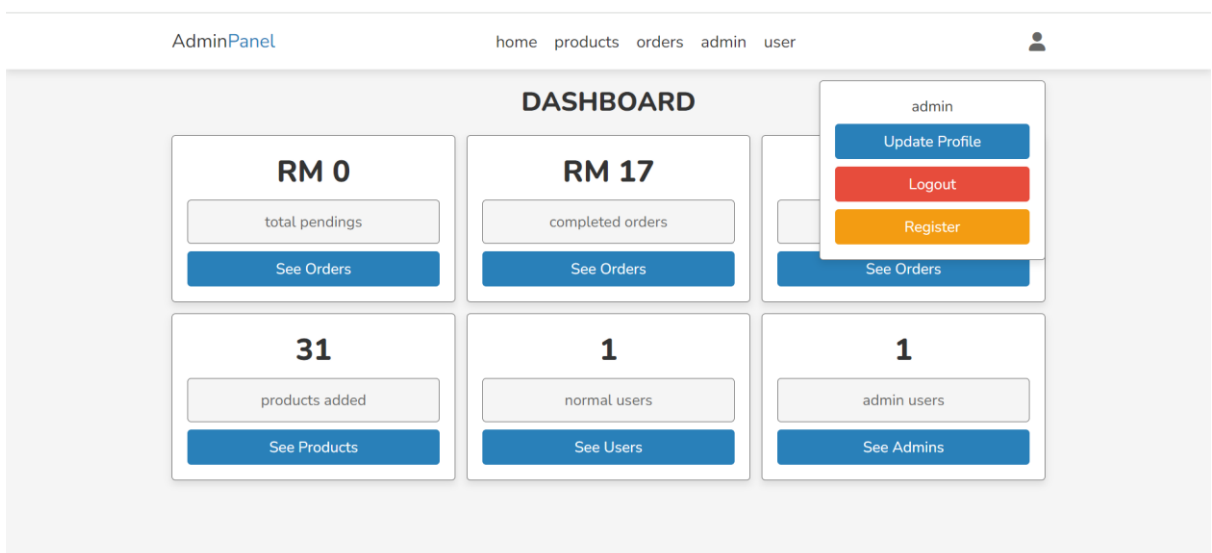

Admin

- 1) Firstly open the admin page and then enter username “admin” and the password “111” and tap login Now.

The image shows a login form titled "LOGIN NOW" for the "Burger World Admin Panel". It contains two input fields: "enter your username" and "enter your password", followed by a blue "Login Now" button.

- 2) To create another admin tap the person icon on the top right corner and create register

The image shows the Admin Dashboard. At the top, there is a navigation bar with "AdminPanel" and links for "home", "products", "orders", "admin", and "user". A user profile icon is in the top right corner. The dashboard is titled "DASHBOARD" and features six summary cards:

- RM 0**: total pendings, with a "See Orders" button.
- RM 17**: completed orders, with a "See Orders" button.
- 31**: products added, with a "See Products" button.
- 1**: normal users, with a "See Users" button.
- 1**: admin users, with a "See Admins" button.

A dropdown menu is open for the "admin" user, showing options: "Update Profile", "Logout", and "Register".

3) Fill the form and register your another admin account
